

Five TOTO Products Receive iF Design Award 2022, including NEOREST® LS and Z Selection Over head Shower -Awarded for 9 Years in a Row-

TOTO LTD. (Headquarters: Kitakyushu, Fukuoka Prefecture; President: Noriaki Kiyota) has received design awards for five of its products, including the NEOREST[®] LS, Smart toilets and the Z Collection Over Head Shower as part of the prestigious international iF Design Award^{*2} 2022. The NEOREST LS was also awarded the Red Dot Design Award^{*3}, making it a double winner.

Five TOTO products received high appraisals as a result of the screening carried out by a panel of judges made up of well-known experts. This marks the ninth consecutive year that TOTO has received the Award.

The iF Design Award has continued to be a prestigious design award since 1953, and is sponsored by iF (International Forum Design) based in Hanover, Germany. This award is presented to products after their beauty, functionality, and innovation have been rigorously examined and acknowledged by experts in design.

TOTO will continue to pursue the fusion of design and technology to deliver a better life to customers.

Award-winning Products

Product Features

NEOREST® LS

The NEOREST LS projects an elegant, graceful appearance with bright accents from different materials added to the smooth, accentuated wave lines. We sought to bring harmony to the space, utilizing the quality of the materials. The decorative parts come in three colors and reflect a variety of tastes, offering an elegant and luxurious bathroom space for our customers.

NEOREST® AS

The seamless full cover lid of the NEOREST AS beautifies the space while offering a quiet, relaxed appearance. The hygienic, smooth, and seamless shape offers a more comfortable bathroom space.

Z Selection Thermostat Shower Column with Shelf *Overseas model

This versatile shower set features storage for shampoo, body soap, a brush, and more, as well as a mounted shower head and hand shower head for a rich shower experience. While the design, based on horizontal and vertical lines, is minimalistic, the shower bar will beautifully blend into the luxurious space of any fine home with its large size. Consideration was given towards usability and flow of use for the storage shelf, buttons, and knobs. Select from five colors for the shower bar itself and two colors for the storage shelf.

Z Selection Over Head Shower Round Model/Square Model (*Square model is an overseas model)

Features a beautiful design based on horizontal and vertical lines so as to blend in with a variety of architectural spaces. The smooth, even shower head features a regular nozzle layout to offer a visual and relaxing shower experience, and the shape of the water flowing from the shower head itself was also designed to be beautiful. The shower head also features unique spray modes.

The Round model brings out a round beauty, and the Square model offers a sense of luxury to the ultra thin shower head. We offer a range of colored finishes to allow the shower head to match easily with the customer's choice of fixtures. (overseas model only)
